Storm Lake Student Body/Staff

Ref: Storm Lake Faust Institute of Cosmetology campus closure

We regret to inform you that our Storm Lake campus of Faust Institute of Cosmetology will be closing at the end of 2020. We will be conducting a teach out of our current student body and the few existing students that will not graduate prior to December 31, 2020 have been presented with options they may take.

No new classes will be started in Storm Lake. Our Spirit Lake campus will remain open and is accepting any applicants that would like to start their education in Spirit Lake.

Your education and experiences will not change while attending the Storm Lake campus as we teach existing students out. We are adequately staffed and will make every effort to provide you with the excellent education we have been known for.

You will receive additional guidance on your individual situation as Marge and I meet with each of you individually. There will also be more notifications to follow that will be important to you regarding records and other area schools you can transfer to if you choose to pursue that avenue.

If you have any questions, please call **Spirit Lake at 712-336-0512 or contact me while I'm at the Storm Lake campus.**

Sincerely,

Justin Latham  
Faust Institute of Cosmetology
